

CALLING ALL DOCTORAL STUDENTS!

Studying Self-Regulated Learning SIG Graduate Student Mentoring Program

Program Details

- The goal of the program is to match emerging doctoral scholars with an established SSRL scholar to receive mentoring and advice
- You will have the opportunity to meet with your mentor during the AERA Annual Meeting in Denver.
- Your mentor will provide informal experiences throughout the year to help you get better connected to the SSRL community

**March
20th
DEADLINE!**

Eligibility

- Doctoral students in both AERA and the SSRL SIG are eligible to apply
- We encourage applications from SSRL doctoral students who have begun to consider the scope of their research program
- This includes junior doctoral students (1st or 2nd year) who wish to connect with mentors who can help them pin down their interests, or more senior doctoral students (3rd year and beyond) who wish to obtain feedback on their research

To Apply

Please provide the following:

- Your most recent CV
- A 500-word research statement that describes (a) your primary area(s) of research interest, (b) your emerging program of research, and (c) your emerging identity as a scholar.
- List 2-3 SRL researchers who you wish to meet and learn from
- Send your documents to Fernando Rodriguez at fernanr1@uci.edu
